

## Crimson Robotics

*Because it is right. Because it is hard.*

*Never because it is easy.*

We are Crimson Robotics Team 2526, Maple Grove Senior High School's Robotics Team. Our mission is to share the world of robotics with every child, in every grade, in every school across the district.

**Create** award winning and innovative STEM solutions

**Learn** how to function as a team across many business and technical disciplines

**Develop** desirables skills that will transfer to future workplaces

**Share** our joy of STEM with are elementary and middle school students

This innovative program is funded through generous donations and sponsorship from individual and corporations. Please support Crimson Robotics.
